Consideration of a request to present a Certificate of Merit to Domminick Tucker

Time Estimate:

5-10 minutes

Background:

Domminick Tucker, a 13-year-old young man, was instrumental in saving his family on the morning of March 11, 2011, when their house caught on fire. The smoke detector awakened him, and he was the one who discovered the fire. He tried to get the fire extinguisher but was unable to because of the intensity of the fire. He subsequently awakened his father Richard, and they were able to get all nine family members out of the house. The house was a total loss.

Fire Chief Ron Clark, Mayor Hall, and Councilperson Kezele will present the Certificate of Merit to Domminick Tucker
