Date: June 13, 2011 City Council Meeting

To: Honorable Mayor and City Council

From: Melinda Anderson – Twin Falls Urban Renewal Agency

Request:

Consideration of a request to re-appoint Cindy Bond and Bob Richards to second 3-year terms and Larry Hall to his first full 3-year term to the Urban Renewal Agency Board. Each of these members' terms expires on June 30.

Background

Dr. Bond was appointed to the URA board in June 2008 to a 3-year term.

Mr. Richards was appointed to the Twin Falls Urban Renewal Agency board on September 15, 2008 to complete the term of Tony Prater who had to resign just 3 months into his board membership due to business scheduling conflicts. Even though Mr. Richards is technically just completing his 1st term, this term was almost three full years, so a re-appointment would be his 2nd and last term.

Mr. Hall was appointed on June 14, 2010 to complete the term of Kent Cramer.

Each has served with distinction and is interested in an additional term. TFURA Chairman Gary Garnand, Mayor Don Hall, and Council Liaison Trip Craig recommend each of these individuals be re-appointed.

Budget Impact:

The Council's approval of this request will not impact the City budget.

Regulatory Impact:

No Impact.

Conclusion:

Staff recommends Cindy Bond, Bob Richards, and Larry Hall each be appointed to another 3-year appointment to the Urban Renewal Agency Board.
