**II. ITEMS FOR CONSIDERATION:**

1. Consideration of a request to use parking reserve funds for the purchase of code enforcement tracking and ticketing software.

Community Development Director Humble explained the request.

Staff recommends that the Council authorize the expenditure of parking reserve funds for the acquisition of gtechna code enforcement tracking and management software.

Code Compliance Officer Standley explained that he researched various software features and believes the software will provide efficient and effective code enforcement work management and parking enforcement.

Discussion followed.

-Annual fee includes recent updates

-Majority of complaints are received from those who have purchased passes

-Training: Information Services will provide three day training on the system

Lorie Whitney, Information Services, stated that the installation of the program will be done remotely. The initial cost of the software package is \$67,032, and the yearly maintenance cost is estimated at \$11,000.

- The purchase of the software is a tool that will allow staff to increase productivity and provide effective code enforcement
- Every violation is a cost of \$35, unless not paid within three business days
- Concern of the cost of the software was not budgeted

Councilperson Mills Sojka stated for the record that she supports updating technology and getting the technology needed to be effective and efficient, but believes handwritten tickets and check boxes should be an adequate warning for a printed ticket and does not see the downside for a few months.

Roll call vote showed Councilpersons Barigar, Hall, Hawkins, Lanting and Talkington voted in favor of the motion. Councilpersons Munn and Mills Sojka voted against the motion. Approved 5 to 2.

2. Consideration of a request to approve a resolution declaring a policy of transparency in City government.

Vice Mayor Hall explained the request.

After listening to Council's debate and community input, the following changes were made to the proposed resolution on November 25, 2013:

Section 3: The Idaho Open Meeting Law applies only to meetings of the governing board of a public agency or sub agency which is created by statute, ordinance, or other legislative act, with the authority to make decisions for or recommendations to a public agency regarding any matter. The Idaho Attorney General, in the Idaho Open Meeting Law Manual, states that "the Open Meeting Law does not apply to voluntary, internal staff meetings if the group is not created by or pursuant to statute, ordinance or other legislative act, even though the discussions may lead to recommendations to the governing body." A subcommittee is a creation of, and is responsible to, the agency that created it.

Section 3, paragraph 2: "In order to provide more transparency in City government, neither the Twin Falls City Council nor any of its commissions will permit the formation of ad hoc volunteer groups intended to report back to the City Council or commission, unless that group is formed as a committee or commission, created by a vote of the City Council or commission. The City Council, and its committees and commissions, shall always comply with all requirements of the Idaho Open Meeting Law."

Councilperson Munn requested Council discussion, debate and adoption of the proposed resolution.

Council discussion followed.

- Ramifications of violating the Resolution if adopted.
- Council creation of a committee or commission

City Attorney Wonderlich stated that the resolution has a moral authority and not legal authority and the resolution is without penalties. The Open Meeting Law provides specific local recommendations and there are penalties for noncompliance. The creation of a commission or committee by a Commission is bound by the Idaho Opening Meeting Law.

The following are not bound by open meetings laws:

- Ex: Chief Brian Pike requests help from CSI Law Enforcement Office Instructors Don Hall and Jim Munn
- Ex: Magic Valley Trail Enhancement Committee is not a committee of the Council
- Ex: Magic Valley Air Show Committee is a volunteer group and not a committee of the Council

City Manager Rothweiler stated that the City is holding the Magic Valley Air Show Committee's funds until their 501 C paperwork is completed.

Councilperson Hawkins asked the City Attorney if the Council is going far above and beyond, by adoption of the resolution, and thus limiting the Council in doing the job it has been elected to do. City Attorney Wonderlich stated that her question is a policy decision.

Discussion followed.

- Mayor appointments
- Economic Development Ready Team

City Manager Rothweiler explained that he created the Economic Development Ready Team. The purpose of the economic development ready team is to encourage and create opportunities for collaboration between the City of Twin Falls and its economic development partners. The ready team compiles information and develops economic development strategies for site visits. He stated that he will be recommending to the Council that the Economic Development Ready Team become an officially recognized committee of the City Council. Formalizing the Economic Development Ready Team formalizes the Tier Group.

Mayor Lanting stated that he has been following the Idaho Opening Meeting Law to the letter and will exercise his authority to nominate persons to serve in appointed offices, subject to confirmation by a majority of the full Council.

- Urban Renewal Agency
- Twin Falls Public Library/sub-committees

City Attorney Wonderlich confirmed that the Urban Renewal Agency is an independent agency. The Twin Falls Public Library is an independent, non-partisan board and is subject to open meeting laws.

City Manager Rothweiler stated that the library's tax rate is included in the Twin Falls City's tax rate. Susan Ash reports to the Library Board, which has been appointed by the City Council. City Attorney Wonderlich stated that if the Library Board creates a committee to report back to it, the committee is subject to the Idaho Open Meeting Law. He stated that he believes the Library Board of Trustees is an independent agency.

Councilperson Barigar asked Councilperson Mills Sojka if the proposed resolution accomplishes what she is after.

Councilperson Mills Sojka stated that she does not believe the resolution is addressing the issue that she was trying to address as far as making committees more open and accessible to the public and bringing the deliberation out in the open. The resolution does not prohibit the Mayor from appointing committees.

City Attorney Wonderlich stated that Mayor Lanting under Idaho Code has the authority to nominate persons to serve in appointed offices, subject to confirmation by a majority of the full council. The Mayor may choose to have a group of people assist him in interviewing volunteers to serve on a committee.

Councilperson Mills Sojka stated that she has a problem with the Mayor forming a work group to make a recommendation for appointments and a staff appointed committee.

Mayor Lanting responded and stated that he has the strong opinion that he can do a better job of interviewing those potential candidates without the press, television cameras, radio broadcast, or possibly doing it live. He stated that he would interview a person himself in order to follow the letter and the spirit of the law. Idaho State Code is specific and states that the Mayor appoints and the Council confirms the appointment. He stated there was a concern by the Times News when Councilperson Hawkins was appointed to the Council.

Vice Mayor Hall stated that the resolution will not allow the Mayor to form a committee. Any of the City's statutory commissions are subject to the Idaho Open Meeting Law.

Councilperson Mills Sojka stated that she has a problem with a group making a deliberation of an issue that will come before the Council.

City Attorney Wonderlich explained that the City Manager has work groups (staff) who make recommendations to the Council

Councilperson Mills Sojka stated that she would be in favor of recommending an amendment to the resolution she presented on November 25, to say that the Mayor can close interviews at his or her discretion and that no work groups will be formed for deliberating public business. She does not see how the proposed resolution changes what is currently being done and asked for Council feedback.

The majority of the Council spoke in favor of the proposed resolution.

**MOTION:**

Councilperson Munn made the motion to approve Resolution 1912 as written. The motion was seconded by Vice Mayor Hall.

Councilperson Talkington made an amendment to the main motion to approve Resolution 1912, to include in Section 3 paragraph 3: "No more than two elected City Council persons may serve on any committee, including ad hoc groups and subcommittees created by statute, ordinance, or other legislative act. The motion was seconded by Councilperson Mills Sojka. Roll call vote showed all members present voted in favor of the motion.

Mike Jones spoke in favor of the need of transparency in the City Council and the Urban Renewal Agency. He spoke against increasing the City Attorney's salary.
