-\$14,740 – Odor Control North East Sewer

Roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

Mayor Hall introduced Nancy Duncan and Larry Hall, from the City of Kimberly

II. ITEMS FOR CONSIDERATION:

1. A presentation by the Twin Falls Futures Unlimited group regarding the future development and growth of Twin Falls.

City Manager Rothweiler stated that when the City was navigating through the Clif Bar Project, it became apparent that the City was running out of ground. At the same time the City was reviewing the strategic plan, the discussion was made to start exploring new areas for growth and expansion. It was determined that public /private partnerships would help ensure the City could take advantage of future opportunities. The Futures Unlimited group has been meeting regularly trying to come up with a series of concepts for the Council to explore and investigate for future opportunities.

Brad Wills, 222 Shoshone St., gave a PowerPoint presentation and asked for Council feedback.

-Twin Falls Futures Unlimited – Local businessman helping to support the future growth of Twin Falls

-Times News article, November 11, 1970, Downtown mall began with "dream" long ago. "A study group of 31 Twin Falls businessman was appointed in 1963 or 1964."

-Twin Falls Future Unlimited "Futures" *"Twin Falls is facing a new challenge, larger in scope but equally important to future of our city. A new generation of Twin Falls business leaders, many of who are Business Plus members, have formed another group insuring future land will be available for an expanding city, looking for new solutions, preparing for the coming opportunities our past successes have provided us. It seemed only fitting to carry on this name "Twin Falls Futures Unlimited", Futures for short, to this group of community minded business leaders working with the City of Twin Falls providing leadership and proactive planning in our ever expanding city."*

-Strategic Plan – April 2013, objectives:

*Initiative: The City will employ sustainable land use policies*

*Objective: Update land use regulations to discourage leap frog development and land divisions that impact viable agricultural land uses.*

*Objective: Encourage the maintenance of agriculture production on lands that are part of a phased development.*

*Objective: Update the maintenance of agriculture production on lands that are part of a phased development.*

*Objective: Update the development codes (Title 4 and 10) to reflect best practices.*

City Manager Rothweiler suggested City staff work with the Futures Unlimited group to develop an action plan of a series of proposals and processes for Council's consideration.

Discussion followed.

-Possibility of growth and development at the Airport

Airport Manager Carberry explained that compatible surrounding land uses with Airports are critical.

Council directed staff to work with the Futures Unlimited group to develop an action plan and a series of proposals and processes and bring back for Council's consideration in a public forum

Mayor Hall stated that the following Public Hearing will be heard at this time.

**IV. PUBLIC HEARINGS: 6:00**

1. Consideration of a request to adopt Ordinance 3059, amending City Code 3-18 regarding City issued permits for mobile food concessions.

City Attorney Wonderlich explained that he has made the changes to the proposed ordinance as requested by the City Council.

Mayor Hall opened up the public testimony of the public hearing.

Justin Abramowski, owner of Big Fatty, stated his concern that he moves his business daily and asked for clarification of the requirement that all site plans shall be reviewed by the Planning and Zoning Department. He suggested that out of town vendors be charged more than the required \$100 annual permit fee.

Sam Sites suggested that the City require first aid kits.

Roseanna Campbell asked for clarification that extended hours of operation may be authorized upon approval of a Special Use Permit. She also recommended that operators have a food handler's certification.

The public hearing was closed at 6:15 P.M.

City Attorney Wonderlich explained an amendment may be made to the applicant's existing permit to add another location of business with property owner approval.

Sharon Bryan, Deputy City Clerk, stated that South Central Health District requires a food handler's certificate.

Discussion followed.

-Enforcement of non-moving mobile concessionaires

-Fees: \$25 quarterly fees \$100 yearly

-Non-mobile produce stands on Pole Line Road

-Non-mobile Food Concessions process

-Concession vehicles, seating, trash cans, and all other items and equipment associated with the food concession shall be removed from the site at the end of each day

- Application for such permit shall be made on a form supplied by the City Clerk ten (10) business days in advance of the issuance of such permit.

Ms. Dingwall stated it is cumbersome to have to move a mobile food concessionaire daily.

City Attorney Wonderlich showed on overhead project City Code 3-18-1: Definition: Non-Mobile Food Concessions: Temporary stands from which food and beverages are sold that are not designed to be moved during operation. He stated that agricultural stands are allowed by the Right to Farm Act.

Mayor Hall closed the public hearing.

Councilperson Mills Sojka asked to hear from the public.

Mayor Hall opened up public testimony of the hearing.

Alberto Stoga stated he sells ice cream from his mobile food truck and asked if Section II B applies to his business, *The display, sale, vending or hawking of food, goods, wares, merchandise or services on the public streets or sidewalks of the City without the consent of the adjoining property owners and without first having obtained the consent of the City Council of the location and method of such activity is prohibited* and in addition asked for clarification on the annual fee.

Justin Abramowski, owner of Big Fatty, recommended the applicant place the written permission slip from the property owner allowing parking on private property in their vehicle. City Manager Rothweiler stated that this would be difficult to track.

City Attorney Wonderlich stated that Mr. Stoga will need permission from adjoining property owners to set up his mobile food truck.

Sandra Perez stated her concern of the requirement to remove all items from the area daily.

Mayor Hall closed the public testimony portion of the hearing.

-Requirements of food vendors at special events.

City Attorney Wonderlich explained the Special Events Application.

Mayor Hall closed the public hearing.

Deliberations.

**MOTION:**

Councilperson Talkington made the motion to suspend the rules and place Ordinance 3059 on third and final reading by title only. The motion was seconded by Councilperson Barigar. Roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

Deputy City Clerk Sanchez read the Ordinance 3059 by title only, AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TWIN FALLS, IDAHO, AMENDING CHAPTER 18 OF TITLE 3 OF THE TWIN FALLS CITY CODE REGULATING MOBILE AND MOTORIZED FOOD CONCESSIONAIRES BY REORGANIZING THE CHAPTER; BY MAKING TECHNICAL CORRECTIONS; BY INCREASING THE ANNUAL PERMIT FEE TO \$100; AND BY ADDING MORE DETAILED REQUIREMENTS FOR MOBILE AND MOTORIZED FOOD CONCESSIONAIRES OPERATING ON PRIVATE PROPERTY.

**MOTION:**

Councilperson Barigar made the motion to approve Ordinance 3059. The motion was seconded by Councilperson Hawkins.

**AMENDMENT TO THE MOTION:**

Councilperson Mills Sojka made the motion to change the wording in Section 4 (M): The motorized or mobile food concession vehicles, seating, trash cans, and all other items and equipment associated with the food concession shall be removed from the site at the end of each week. The motion failed due to lack of a second.

Roll call vote on the main motion showed Councilpersons Hawkins, Barigar, Talkington, Lanting, and Hall voted in favor of the motion. Councilpersons Munn and Mills Sojka voted against the motion. Approved 5 to 2.

Recess at 6:49 p.m.

Reconvened at 6:54 p.m.

Mayor Hall stated the following item for consideration will be heard at this time:

2. Consideration of a request to authorize the Mayor to sign the Recreation Trail Program Grant Application.

Parks & Recreation Director Bowyer explained the request. In October 2013, the Magic Valley Trail Enhancement Committee and staff presented to the City Council a Snake River Canyon Trail Plan. One of the recommendations was to have staff apply for a grant through the Idaho Department of Parks and Recreation (IDPR) for the proposed Pillar Falls trail section. The grant is due January 31, 2014.

Grant Writer Mandi Thompson explained the request.

The Recreational Trails Program (RTP) is a federally funded pass-through grant that is administered by the IDPR. There is approximately \$1.5 million available annually in Idaho through this program. At least 30% of the funds are reserved for uses relating to motorized recreation; at least 30% are reserved for non-motorized recreation; and the remaining 40% must give preference to projects that provide for innovative recreational trails along corridor shared by motorized and non-motorized use. The City falls into the non-motorized recreation category. A minimum 20% match is required by the applicant.

Staff has received estimates on the construction of the trail and fencing for this section of the trail (approximately 2100 feet). Cost estimates for construction of the trail are \$63,690 and \$18,625 for the fencing, for a combined total cost of \$82,315. These costs are higher than originally estimated. The original trail base along the north end of property is not in the correct location. Additional dirt work and additional culverts are needed to relocate this portion of the trail. The initial base work for the trail was not placed in the proper location and was placed too close to the landowner's home. The City will need to remove that section of the trail in order to satisfy the landowner's desire for privacy. Staff is proposing a 44.56% match. This match is a combination of \$20,000 of City funds, \$10,000 from the Twin Falls Community Foundation and \$7,500 from the Magic Valley Trail Enhancement Committee. An additional \$10,000 in matching funds is being sought from a private foundation, People for Bikes. However, these funds will not be awarded until May 30, 2014.

Discussion followed.

- Recouping funds from the developer
- Park in lieu of fees (residential/commercial)
- Impact fees
- Cost to move the trail

City Manager Rothweiler stated that the developer is responsible to build the trail at the time of the development. The developer is not responsible for the trail if the trail is completed. Staff has tried to reach out to the current property owner to have something in the selling price or the disposition of the property to recognize the contribution of public funds to construct the trail in advance, but unfortunately staff has been unable to make any progress with the property owner.

Parks & Recreation Director Bowyer explained that the developer is required to do a park in lieu of. The developer will also receive a reduction if the developer provides a trail.

City Manager Rothweiler stated that trails could be included in the master improvements list that is currently being discussed.

Parks & Recreation Director Bowyer stated that the trail is within ten feet of property owner Todd Blass' property line. He explained what the agreement entailed. The cost to move the trail is \$15,000. Mr. Blass requested that the buffer remain as originally planned. Staff does not intend to landscape the buffer area.

**MOTION:**

Councilperson Barigar made the motion that the Council authorize the Mayor to sign the Recreation Trail Program Grant Application. The motion was seconded by Councilperson Talkington. Roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

3. Update on the Waste Water Treatment Plant upgrades.

Assistant City Engineer Vitek gave a brief outline on the WWTP upgrades using a PowerPoint presentation. He discussed the current progress, a brief description of the individual projects and their associated delivery methods, schedules, and estimated costs.

Discussion followed.

- Impact on Canyon Springs Road from cement trucks
- Excavation of rock to be taken to Auger Falls
- Unstable canyon walls
- Traffic control plan

4. Consideration of a request to adopt Ordinance 3060, authorizing the signing of the loan agreement with the Idaho Bond Bank; and, presentation on the bonding process for the \$38 million of improvements at the Waste Water Treatment Plant.

Chief Finance Officer Race provided a brief update on the WWTP bond process. The Idaho Bond Bank adopted their Bond Resolution and Notice of Sale at their January 13, 2014, meeting. This is a formal action that is required to sell bonds. The City is in final stages of securing a commitment from Assured Guarantee Municipal. Because they are providing a surety bond policy the City will not be required to have a debt reserve fund of \$3,000,000, until the bonds are paid for. The bond sale will take place on February 12, 2014. The entire transaction will become final on February 26, 2014, at which time the funds will become available. The City currently has \$3,300,000 of capacity fees that could be used for the improvements.

Staff recommends approval of Resolution 3060 as presented.

Discussion followed.

-Prepayment Terms

-Application of additional revenue restrictions

Chief Finance Officer stated that a rate stabilization account can be set up for prepayment.

City Manager Rothweiler the City is required to take the fees from capacity and connection fees and place the fees in an escrow like account to buy off the back years of the debt. This will allow the City to shorten the life of the note by having people pay the equity position that they owe for coming into the system. Fees collected from a particular system are to be applied to the system in which they have been assessed.

**MOTION:**

Councilperson Talkington made the motion to suspend the rules and place Ordinance 3060 on third and final reading by title only. The motion was seconded by Councilperson Mills Sojka and roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

Deputy City Clerk Sanchez read Ordinance 3060 by title only.

AN ORDINANCE OF THE CITY OF TWIN FALLS, TWIN FALLS COUNTY, IDAHO, AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF A PARITY LIEN SEWER REVENUE BOND, SERIES 2013, IN A PRINCIPAL AMOUNT NOT TO EXCEED \$38,000,000, TO PROVIDE FUNDS FOR THE ACQUISITION AND CONSTRUCTION OF CERTAIN WASTEWATER FACILITIES; ESTABLISHING FUNDS; PROVIDING FOR THE FORM, EXECUTION, REGISTRATION, MATURITY, AND PAYMENT OF THE BONDS; PROVIDING COVENANTS RELATING TO THE BONDS AND THE TAX-EXEMPT STATUS OF THE INTEREST ON THE BONDS; APPROVING A FORM OF LOAN AGREEMENT BETWEEN THE CITY AND THE IDAHO BOND BANK AUTHORITY; PROVIDING FOR RELATED MATTERS; APPROVING A SUMMARY OF THIS ORDINANCE FOR PUBLICATION; AND PROVIDING AN EFFECTIVE DATE.

**MOTION:**

Councilperson Lanting made the motion to adopt Ordinance 3060. The motion was seconded by Councilperson Barigar and roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

5. Consideration of the Airport Board's recommendation to select CSHQA as the architecture firm for the Airport Terminal Modification Project.

Airport Manager Carberry explained the request.

The Airport completed an FAA Master Plan Update December 2012. The Master Plan identified the need to address new terminal development concepts.

The Master Plan recommended terminal development concept overall goals include:

- Provide additional sterile hold-room area for peak- hour enplaned passengers
- Provide areas for "behind-the-wall" baggage screening & bag sorting
- Improve the efficient flow of passengers in the terminal/ticket areas
- Accommodate rest room facilities in the sterile hold-room area

In order to open up the process to interested architecture firms, and maintain compliance with the requirements set forth by the Federal Aviation Administration (FAA), the airport advertised for statements of qualifications from architecture firms interested in providing services for the project.

Staff concurs with the Airport Board's recommendation to select CSHQA as the architecture firm to begin contract negotiations with for the terminal modification project.

Airport Manager introduced Martin Hahle, CSHQA, and Kent Atkin.

Discussion followed.

**MOTION:**

Councilperson Mills Sojka made the motion that Council concurs with the Airport Board's recommendation to select CSHQA as the architecture firm for the Airport terminal modification project. The motion was seconded by Vice Mayor Hawkins and roll call vote showed all members present voted in favor of the motion. Approved 7 to 0.

6. Discussion of draft three of the Agreement with Beckley Media to use Twin Falls City property in his effort to jump the Snake River Canyon. *This will not be an action item.*

City Manager Rothweiler explained the changes on the draft Agreement.

1. Names of the substitute pilot/jumpers in the event of an unforeseen emergency.
2. No alcohol is to be allowed at the jump site. Beckley Media has also stated that they are not necessarily inclined to have alcohol being served.
3. County Prosecutor to work independently with Beckley Media in the process.
4. Addition of paragraph of C. Ancillary Special Events. Beckley Media did not want to be responsible for fees or expenses that were being generated from events outside those they were producing.
5. Recovering of staff time. Once the agreement is outlined the City will go forward and submit a direct bill of the accounting of those hours. The City will do it in 30 to 60 days increments moving forward. Lessee shall reimburse the Lessor for staff time expended in the preparation and administration of the Lease Agreement.

Staff is seeking Council's guidance on the milestones and dates in the agreements, which are the timelines that the phases are to be completed. Staff can place the proposed dates for Council's review or the Council, over the course of the few days, can submit the dates to staff.

Discussion followed.

Councilperson Lanting stated his concern of a Times News article in today's paper on a second jump. City Manager Rothweiler stated there could be indirect and direct costs with an event that is planned to take place a week prior to the proposed Beckley Media event. He stated he also learned about the second jump through the Times News. Commissioner Morley had shared with the Council at a previous meeting that permits had not been issued. City staff has not had any conversation with the second group. This is outside the City's jurisdiction. He stated he does not know where Twin Falls County is in their review of this process. The group is Scott Record and Scott Truax.

Councilperson Talkington asked for staff to come back to Council with dates for their review. He asked for the names of the substitute pilot/jumpers in the event of an unforeseen emergency. City Manager Rothweiler stated the names are Gene Sullivan and Bubba Blackwell.

Mayor Hall understood that Gene Sullivan and Bubba Blackwell have begun training with Ed Beckley.

City Manager Rothweiler stated that Council requested to meet with Gene Sullivan and Bubba Blackwood. Staff will continue to work with Beckley Media to make the arrangement.

Councilperson Barigar stated that in the lease the site will need to be returned to its natural contour and vegetation if the lease is terminated. He stated that if Beckley Media has started work at the site that is beneficial to the City that an exception is provided in the lease. He was in favor of staff placing the dates in the lease as discussed. In regards to the second jump, the County stated they did not expect the second event to impact the City. Councilperson Barigar asked Twin Falls Police how this may affect the City. He asked for clarification on who from the County will be approving this portion of the lease.

City Attorney Wonderlich stated that the lease states County approval. Meetings have included the Court Administrator, Grant Loeb, and representatives of the Jail.

Councilperson Barigar stated that at last week's meeting, Jon Simmons indicated there may be some way to include media partnership. He stated his concern of a two year approval on the front end because things will change over the next two years in that neighborhood.

City Attorney Wonderlich stated that the two year window is not in the lease. The blanks on the first page of the lease of the start and end date of the lease have not been filled in. His idea would be to start the lease the day the Council approves the lease and would end two weeks to a month after the event.

City Manager Rothweiler stated the Council may consider an extension of the lease depending on the evaluation of the first event. The language can be placed in the lease.

Councilperson Mills Sojka stated she would not be opposed to adding language that will allow Beckley Media to extend their lease should they choose and with City approval.

Mayor Hall stated that he is in favor of staff adding in the dates to the lease agreement. He asked Commissioner Roger Morley to address the jump in Jerome.

Commissioner Morley stated that Scott Record and Scott Truax have been issued a permit, but that does not mean they will do the jump. The plans have been firmed up since the last time he spoke with the Council. He stated he was under the impression that Ed Beckley was the only jumper.

Mayor Hall stated that the City does not have any control of the second jump and asked Mr. Morley to inform him of when the jump is proposed.

Commissioner Morley stated that he heard of the City's jump on the television. The City of Twin Falls did not contact Jerome County of their jump.

Councilperson Talkington stated that he heard of a third jump.

Mayor Hall stated that he would like to continue working with the County of Jerome.

7. General update on Canyon Jump process to include public safety and possible compensation.

City Manager Rothweiler explained that there have not been any changes to the compensation piece of the lease.

Captain Barnhart stated there have been no significant changes on the public safety piece. He stated that the time he spent with Jim Walzcak last week appeared to be productive. Staff is waiting to see his public safety plan. He asked Council to not allow any other special events during the event beginning August 29<sup>th</sup> through September 14, 2014.

Discussion followed.

-Special events

Councilperson Talkington stated he is in favor of not allowing special events during the time specified. He asked if Beckley Media understands that the February date is approaching and they still have not provided the Council a safety plan.

Councilperson Barigar asked if Beckley Media's safety plan will be ready for review by January 27, 2014. Captain Barnhart answered in the affirmative.

Councilperson Munn stated that he is in favor of not allowing special events during the time period specified. He stated that private security does not have the power to arrest, etc.

Councilperson Mills Sojka stated that she does not feel that one event should take precedence over other events in the City.

Captain Barnhart asked Council to consider city staff who will be working two straight weeks on the proposed jump event.

Vice Mayor Hawkins asked if the City's Police Department provides help at the Filer Fair. Captain Barnhart stated that the City's Police Department assists in traffic control issues in the City of Filer and Twin Falls County. The Police Department will continue to maintain some level of service to citizens and visitors to the community.

Councilperson Barigar asked for a copy of past community events that take place during the time specified by Captain Barnhart.

Mayor Hall and Councilperson Barigar spoke on taking Special Events Applications as they come in.

Councilperson Mills Sojka stated she was not sure why the Police Department is concerned by the first jump (Record & Truax) that is to take place since it is taking place somewhere towards Eden.

City Manager Rothweiler stated that the jump will be taking place in the unincorporated area of Jerome County and Twin Falls County and in close proximity to the Hansen Bridge.

Councilperson Mills Sojka stated that when discussing the City's resources, is the City talking about possible crime or activities that may be coming from the jump event.

Captain Barnhart stated the main concern from the jump is the increase in population and increasing the calls for service. Deputy Newman may be asking for assistance for this jump.

Councilperson Lanting stated his concern of a jump in an unincorporated area of Jerome and an unincorporated area of Twin Falls County over which the City has no control. He agrees with Captain Barnhart that there will be a need to have more officers on duty for this jump.

8. Public input and/or items from the City Manager and City Council.

City Manager Rothweiler stated that on February 3, 2014, at 4:00 p.m. a tour of the jump site has been scheduled for City Council and at 6:00 P.M. a request to approve the agreement with Beckley Media to use Twin Falls City property in his effort to jump the Snake River Canyon will be heard. Public comment will be taken at this meeting.

Councilperson Munn asked if Special Events are approved by the Police Chief or the City Council. City Attorney Wonderlich stated the events are approved by the Police Chief.

Vice Mayor Hawkins asked for an update from Chief Pike on ILETS price increase. City Manager Rothweiler stated that Captain Pike will make a report on February 10, 2014.

III. ADVISORY BOARD REPORTS/ANNOUNCEMENTS:

City Manager Rothweiler asked to cancel the March 24, 2014, City Council meeting due to a lack of a quorum.

V. ADJOURNMENT: The meeting adjourned at 8:32 p.m.
