Twin Falls City Youth Council Minutes 11 – 14 – 11

Meeting was called to order at 4:00 pm.

Minutes were read by Sarah Rasmussen. Approved as read.

Jason Montgomery gave the treasurers report. We have \$1253.29 in our account.

Voting in the new members: Only Nolan Stroup was present at the meeting and he was voted in unanimously.

Daniel Kelley was unable to attend the meeting and so was not able to give a presentation on the BMX park.

Kite Day and Bake Sale conclusion was given by Nicole Askew. She reported that we made \$45.25 at the event and that we all had a good time. Reylene Abbott told us that KMVT wants to make a big event of it next year and to contact them next time.

No Texting While Driving – Reylene said that Xavier had canceled but she called Canyon Ridge and they would give us December 8 & 9th @ 11:30-12:00 and 12:05-12:35 with two different classes.

We voted yes on if we should take money out of the account for buying posters for these presentations.

Reylene gave a report on the Lights Parade. She said she had secured a spot for us in the parade but we would have to pay a \$25 entrance fee. We voted to take the money out of the account for it. She also told us that the check in was at 5:00 but we should meet at 4:30.

Christmas Caroling – Christina Bruce suggested we go caroling at the Bridgeview nursing home instead of Down town. We agreed to do that and decided to meet at 6:30 and start caroling at 7:00.

Open Discussion: Reylene reminded Christina to check on the Pizza Hut fundraiser. Lance Clow told us that the Senior Citizen Center is running low on their funds and was wondering if we wanted to do a fundraiser to help them out. Christina suggested we use the proceeds from the Pizza Hut fundraiser to help them. Nicole brought up selling cookie dough. Christina said she was very proud that the Youth Council was nominated for the Governors Brightest Star program. Mr. Clow suggested we send a picture of the program to the paper. Nicole Askew brought up the idea of getting colorful t-shirts for fun events (like kite day) and put words on them. Christina said they could probably do it at the Art
