## Minutes

December 12, 2011

Meeting was called to order at 4 pm. Reylene gave the clerks report and it was approved as read. Jason gave the treasure report and we spent \$5.06 on posters. Billy Bello was voted in unanimously. Daniel Kelley said he had a meeting for the BMX Park Thursday. A new committee was formed. It included, Jason, Reylene, Christina, Jonah, Nolan, and Daniel. The no texting while driving campaign was declared a success at Canyon ridge. Hansen high school has contacted Reylene about doing it there. We were undecided about Christmas caroling at the time but we voted and we went to the senior care center. The senior center is having trouble financially so Jonah and Nolan will be helping thinking of ways to help them out. So far we are thinking of a bingo night. Our pizza hut fundraiser is set on January 16<sup>th</sup>. Christina set us up for that. We decided to attend council meetings and greet the public. Reylene said she would have a schedule out for everyone soon. During open discussion we were told by Daniel that we are set for our Applebees fundraiser June 9<sup>th</sup>. Nicole brought up the animal shelter and that they are in need of funds for food. We discussed our new "fun" shirts. We decided if we did do them we'd buy our own and chip in \$2 for the supplies. Christina made a motion to adjourn the meeting and it was seconded by Daniel. The meeting was adjourned at 4: 43!
